Interim Executive Chairman's letter

Dear shareholder,

I look forward to welcoming you at the IGas Energy plc ("IGas" or the "Company") Annual General Meeting (the "AGM"), which will be held at 10.30 a.m. on Wednesday 14 June 2023 at the offices of Pinsent Masons LLP, 30 Crown Place, Earl Street, EC2A 4ES. This is my first AGM as Interim Executive Chairman of the Company.

The business of the AGM comprises certain resolutions (the "Resolutions") that we regularly bring to shareholders, as well as Resolutions 8, 9 and 10 which are special business of the forthcoming AGM.

We often ask for authority from you to allow the board of directors (the "Board" or the "Directors") to allot shares in the Company in certain circumstances, sometimes without first offering those shares to existing shareholders. We wish to continue to comply with the spirit of institutional guidelines as an AIM company, and maintain maximum flexibility as per the notes to the relevant Resolutions.

Resolution 9 is proposed to grant the Company authority to make market purchases of its own ordinary shares. The authority should not be taken to imply that shares will be purchased at any particular price or, indeed, at all. The Resolution specifies the maximum number of ordinary shares which may be purchased (representing approximately 5 per cent of the Company's issued ordinary shares as at 24 April 2023 (being the latest practicable date prior to publication of this document)) and the maximum and minimum prices at which they may be bought, reflecting the requirements of the Companies Act 2006. The authority to purchase ordinary shares will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per ordinary share and that it is in the best interests of the Company and shareholders at the time. If the Company were to purchase any ordinary shares pursuant to this authority, the Company could cancel such shares or take them into treasury. The Board would consider holding such shares in treasury, enabling the Company to, amongst other things, re-issue treasury shares quickly and cost effectively; however, the Board would make a decision at the relevant time, in light of prevailing circumstances. Please see the note to Resolution 9 on page 8 for further explanation of this.

The Company has been reshaping its strategic direction to reflect the transition to a lower carbon economy. Following the acquisition of deep geothermal developer, GT Energy UK Limited, in September 2020 and the Company's subsequent activities in this sector, the Board is proposing a change in the Company's name to Star Energy Group plc. If Resolution 10 is approved at the AGM, the change of name will be effective once the relevant paperwork has been processed by Companies House and once Companies House has issued a new certificate in respect of the change of name. Upon the change of name becoming effective, the Company's TIDM will be changed to 'STAR'. A subsequent announcement will be made when the Company's change of name has become effective and until this announcement, trading will continue under the existing TIDM of 'IGAS'. The Company's website is also expected to change to: www.starenergygroupplc.com. The proposed change of company name will not affect the rights of shareholders and all existing share certificates should be retained as they will remain valid; no new share certificates will be issued.

The Board is recommending that shareholders support all of the Resolutions before the AGM by returning your proxy vote at www.investorcentre.co.uk/eproxy or, if you have received a hard copy proxy form, by returning your proxy instruction by post as indicated in the proxy form.

For some years now we have been using web communication for the majority of shareholders to invite you to view our corporate materials online. With this notice, if you have not elected to receive shareholder communications electronically, you will receive a proxy card as an ordinary shareholder. However, online voting is quicker and more secure than paper voting. If you have not already done so, I urge you to visit Computershare's Investor Centre available at www.investorcentre.co.uk/ecomms and provide an email address for future communications.

Your votes do matter. Information about how to vote and attend the AGM is given on pages 9 and 10 of this notice. If you cannot attend the AGM, please vote your shares by voting remotely by appointing the chairman of the AGM as your proxy, utilising one of the remote methods detailed in this notice.

Notes to Resolutions 3, 4 and 5

Re-election of Directors

Directors holding office at the start of the business of the day of this notice of meeting and who also held office at the time of both of the two immediately preceding AGMs and did not retire at such AGM and wish to continue to be Directors, are required by the Articles to retire and offer themselves for re-election at each AGM. If the number of Directors due to retire at any AGM, when added to the number of other Directors (if any) who wish to retire and not to offer themselves for re-appointment at such AGM, is less than that number which is one third of the total number of the Directors (excluding any Director who has been appointed by the Board and is seeking reappointment at the first AGM since that appointment) (or if such total number is not divisible by three that number which is nearest to but does not exceed one third), then such number of additional Directors shall retire at such AGM as will increase the total number to the amount required by the Articles. In addition, any director of the Company appointed by the Board, must at the first AGM since that appointment seek reappointment.

In accordance with the requirements of the Articles, Mr Philip Jackson, Ms Frances Ward and Mr Doug Fleming retire and offer themselves for re-election as Directors.

The Nomination Committee identifies, evaluates and recommends to the Board, candidates as Directors and keeps the mix of skills, experience and knowledge of the Board under regular review (in consultation with the Board) and seeks to ensure an orderly succession of Directors. The outside directorships and broader commitments of the Non-executive Directors (including time commitments) are also monitored by the Nomination Committee.

Reappointment of Philip Jackson as a Director – Resolution 3

Mr Jackson retires by rotation at the AGM under the Articles, and offers himself for reappointment. Having carefully considered his reappointment, the Nomination Committee considers that his performance remains effective, particularly having regard to his responsibilities as Non-executive Director.

Mr Jackson has over 35 years' experience in investments and corporate finance in energy and infrastructure projects.

Mr Jackson was the founder and former chief executive of J.P. Morgan Asset Management's \$860 million Asian Infrastructure and Related Resources Opportunity Fund and until March 2020 was a partner of Kerogen Capital Partners Limited. Since March 2021 he is a senior advisor to and has been asked to join the board of Arctic Green Energy Corporation (one of the world's leading geothermal district heating businesses, primarily in Asia). He is also chairman of OneWater Group Limited which provides utility water treatment technologies around the world. He started his career with the energy team at Ashurst LLP before moving to its client Trafalgar House plc, then one of the UK's leading independent oil and gas companies.

Mr Jackson is a Fellow of the Energy Institute. He graduated with an MA in law from the University of Cambridge and qualified as a solicitor of the Supreme Court in England.

Reappointment of Frances Ward as a Director – Resolution 4

Ms Ward was appointed as a Director of the Company in September 2022, which was subsequent to the last AGM and, in accordance with the Articles, she must retire at this AGM, but she offers herself for reappointment. Upon appointment, the Board considered that her experience made her a suitable candidate to complement the Board. The Nomination Committee has considered her reappointment and considers that her performance remains effective, particularly having regard to her responsibilities as Chief Financial Officer.

Ms Ward is a qualified accountant with over 15 years' senior management experience within the international oil and gas sector. Ms Ward's previous experience includes 11 years at Nexen Energy (now part of CNOOC) in various senior finance roles in their London and Calgary offices. Ms Ward joined the Company in 2017 as Group Financial Controller, then assuming overall responsibility for the finance function as Finance Director in July 2020 and was appointed as Chief Financial Officer in September 2022.

Notes to Resolutions 3, 4 and 5 continued

Reappointment of Douglas Weir Fleming as a Director – Resolution 5

Mr Fleming was appointed as a Non-executive Director of the Company in January 2023, which was subsequent to the last AGM and, in accordance with the Articles, he must retire at this AGM, but he offers himself for reappointment. Upon appointment, the Board considered that his experience made him a suitable candidate to complement the Board. The Nomination Committee has considered his reappointment and considers that his performance remains effective, particularly having regard to his responsibilities as Non-executive Director.

Mr Fleming was most recently Chief Financial Officer at private equity backed Siccar Point Energy, an exploration and production company with assets in the UK sector of the North Sea. Mr Fleming was part of the team that founded the business in 2014. Siccar Point Energy went from start-up in 2014 to production of c.9,000 boepd in 2021 before being sold to Ithaca Energy in 2022 for a consideration of up to \$1.46bn. Prior to Siccar Point Energy, Mr Fleming held senior roles at Centrica Energy E&P and Venture Production plc.

Notes to Resolutions 7 and 8

Directors' authority to allot shares

General explanation

These Resolutions seek limited authority from shareholders for the Company to allot shares, and limited authority to allot shares in particular circumstances without first offering them to existing shareholders. They enable the Company to raise capital quickly and easily when needed, and permit it to allot shares as consideration in a transaction.

It has been the Company's approach to seek authority to allot shares at its AGM in order to allow as much prudent flexibility as possible in the interests of the Company and its shareholders as a whole.

Authority to allot – Resolution 7

The Investment Association share capital management guidelines (the "IA guidelines") confirm that an authority to allot up to two-thirds of the existing issued share capital continues to be regarded as routine.

The Directors are seeking authority to allot shares of up to a maximum nominal amount of £1,695.93. This is the Section 551 'authorised amount' referred to in the Articles and is equal to 66.6 per cent (i.e. two thirds) of the Company's Ordinary Shares. In accordance with the IA guidelines, one half of this authorised amount, that is 33.3 per cent (i.e. one third) of the Company's issued Ordinary Shares (excluding treasury shares), can only be used if the relevant securities are equity securities and are offered in connection with a rights issue or other pre-emptive issues of equity shares which satisfies the conditions and may be subject to all or any of the exclusions specified in (B)(1) of Resolution 8.

For information, as at 24 April 2023 (being the latest practicable date prior to publication of this document) the Company held no treasury shares. The authority conferred pursuant to Resolution 7 will expire on the date of the AGM in 2024 or 15 months after the passing of Resolution 7 at the AGM, whichever is the earlier.

The Directors have no current intention of issuing shares other than in relation to the Company's employee share schemes.

Disapplication of pre-emption rights – Resolution 8

Section 561 of the 2006 Act contains pre-emption rights that require all equity shares which the Company proposes to allot for cash to be offered to existing shareholders of Ordinary Shares in proportion to existing shareholdings, unless a special resolution is passed to disapply such rights. Such rights do not apply to an issue otherwise than for cash, such as an issue in consideration of an acquisition. Subject to the passing of Resolution 7 and as noted therein, the proposed Resolution provides for the dis-application of statutory pre-emption rights for allotments of equity securities for cash, but limits this authority to the allotment of equity securities up to an aggregate nominal value of £847.97 (representing approximately one third of the Company's Ordinary Shares), provided that all allotments must be in the form of rights issues, open offers, scrip dividend schemes or other pre-emptive issues of equity securities.

Further, the Directors believe that the statutory requirements are too restrictive and, it is proposed that, subject to the passing of Resolution 7, the Directors should be able to allot shares for cash otherwise than pursuant to rights issues, open offers or other pre-emptive issues etc. amounting to no more than an aggregate nominal amount of £254.39 representing approximately 10 per cent of the Company's Ordinary Shares.

The broadening of the proposed Resolution to include pre-emptive issues other than rights issues is a departure from the strict wording of the IA guidelines which is limited to rights issues, which the Directors regard as too restrictive, especially as AIM companies normally make open offers and not rights issues. The above departures in Resolutions 7 and 8 from the strict wording of the IA guidelines should not be taken to indicate that they are being disregarded, but rather that the proposed Resolutions are designed to provide greater flexibility for the Directors to determine the form of any future pre-emptive issues in the light of market conditions and practice, at the time such an issue may be proposed.

Notice of meeting continued

Notes to Resolutions continued

Notes to Resolution 9

Authority to purchase own shares

This Resolution is to grant the Company authority to make market purchases of its own Ordinary Shares. The authority should not be taken to imply that shares will be purchased at any particular price or, indeed, at all. The Resolution specifies the maximum number of Ordinary Shares which may be purchased (representing approximately 5 per cent of the Company's Ordinary Shares as at 24 April 2023 (being the latest practicable date prior to publication of this document)) (i.e. 6,359,746 Ordinary Shares) and the maximum and minimum prices at which they may be bought, reflecting the requirements of the 2006 Act. The purchases, if made, will only be made on AIM.

The authority to purchase Ordinary Shares will only be exercised if the directors consider that there is likely to be a beneficial impact on earnings per Ordinary Share and that it is in the best interests of the Company and shareholders at the time. The Company may either cancel any Ordinary Shares which it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). If the Company were to purchase any Ordinary Shares pursuant to this authority it would consider holding them as treasury shares. This would enable the Company to re-issue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

This authority would expire 15 months after the passing of this Resolution or at the close of the 2024 AGM, whichever occurs first. The directors may seek renewal of these or similar authorities at future annual general meetings.

Notes to Resolution 10

Change of name

The Company has been reshaping its strategic direction to reflect the transition to a lower carbon economy. Following the acquisition of deep geothermal developer, GT Energy UK Limited, in September 2020 and the Company's subsequent activities in this sector, the Board is proposing a change in the Company's name to Star Energy Group plc. If Resolution 10 is approved at the AGM, the change of name will be effective once the relevant paperwork has been processed by Companies House and once Companies House has issued a new certificate in respect of the change of name. Upon the change of name becoming effective, the Company's TIDM will be changed to 'STAR'. A subsequent announcement will be made when the Company's change of name has become effective and until this announcement, trading will continue under the existing TIDM of 'IGAS'. The Company's website is also expected to change to: www.starenergygroupplc.com.

The proposed change of company name will not affect the rights of shareholders and all existing share certificates should be retained as they will remain valid; no new share certificates will be issued.

Shareholder notes

Voting

When is my voting entitlement fixed?

To attend, speak and vote at the AGM you must be a registered holder of shares at **6:00 pm on 12 June 2023**. Your voting entitlement will depend on the number of shares you hold at that time.

I can't attend the AGM but want to vote – what can I do?

If you are a registered holder and cannot attend, you can appoint the chairman or any other person to attend, speak and vote on your behalf. This person is called your proxy. Your proxy does not have to be a shareholder.

You can instruct your proxy how to vote. Where no specific instruction is given, your proxy may vote at his or her discretion or refrain from voting, as he or she sees fit.

You can appoint more than one proxy in relation to different shares within your holding.

You can appoint a proxy and submit voting instructions:

- Via CREST (see note opposite).
- By casting your proxy online at www.investorcentre.co.uk/eproxy.
- If you have received a hard-copy proxy form, by completing and returning the paper proxy card if one has been sent to you. Please read the instructions carefully to ensure you have completed and signed the card correctly. Any alterations must be initialled.

You will also need to give the attendance card to your proxy to bring to the AGM, along with photographic proof of his/her identity.

Proxies not properly notified to the Registrar may be denied access to the AGM. Giving your attendance card to your proxy is not sufficient – they must also be appointed in advance using one of the above methods.

If you own shares jointly, any one shareholder may sign the proxy card. If more than one joint holder submits a card, the instruction given by the first listed on the shareholder register will prevail.

By when do I have to submit my vote?

Proxy appointments and voting instructions, including any amendments, must be received by the Registrar by **10:30 am Monday 12 June 2023**.

If you miss this deadline and wish to submit a new vote or amend an existing vote, you can only do so by attending the AGM in person and voting.

I already voted but have changed my mind – can I change my vote?

You can submit a new instruction online at any time before the time and date above. If you wish to amend a paper instruction you must do so in writing and sign your new instruction.

The voting instruction received last will be the one that is followed. If a postal instruction and an online instruction are received on the same day, the online instruction will be followed.

I hold shares on behalf of several others – can I vote part of the holding separately?

You can appoint more than one proxy using the paper proxy form provided it is in relation to different shares. A single proxy can be appointed in respect of a part of a shareholding online at www.investorcentre.co.uk/eproxy and any additional proxy appointments will need to be lodged in hardcopy by submitting a paper proxy form in respect thereof. Such appointments need to indicate the number of shares to which the proxy relates to ensure the first instruction is not superseded.

Corporate shareholders may either appoint one or more proxies, or alternatively appoint one or more corporate representatives in relation to different shares, using the paper proxy form or via CREST.

Multiple proxies and corporate representatives may all attend and speak at the AGM and may vote the shares that their respective appointments represent in different ways.

I am a CREST member – can I use the CREST system to vote?

CREST members who wish to appoint a proxy (or proxies) through the CREST electronic proxy appointment service may do so for the AGM and any adjournment by using the procedures described in the CREST manual (euroclear.com/crest). CREST personal members or other CREST-sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy must be transmitted so as to be received by Computershare (ID 3RA50) by **10:30 am Monday 12 June 2023**. It is the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers, are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST proxy instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

I have a power of attorney from a shareholder – how can I vote?

You can vote using the paper proxy card only. You must ensure that the power of attorney and the proxy card have been deposited with the Registrar by **10:30 am Monday 12 June 2023**.

The chairman of the AGM will announce when you will have an opportunity to ask questions. If you wish to ask a question please tell an usher on entry to the auditorium.

Please endeavour to keep your questions short.

It is planned that certain members of the Board and senior executives of the Company will make themselves available to shareholders after the AGM.

Do you have help for shareholders with special needs?

If you are in a wheelchair or in need of help from a companion, please let us know at registration so that we can assist you.

How can I vote at the AGM?

Your form of proxy includes a poll card; please bring this with you if you intend to attend and vote in person at the AGM. Poll cards will also be available at registration. After opening the AGM, the chairman will put all the Resolutions to the AGM and poll boxes will be available for you to deposit your completed card. Please remember to sign it.

The poll will close 10 minutes after the AGM ends.

How are the votes counted?

Voting on all Resolutions is by a poll. In a Company such as ours, we think poll voting is the fairest approach. There will be no voting by a show of hands. On a poll, each member present in person or by authorised representative or by proxy, has a vote for every share of which he is the holder. Ordinary resolutions require the approval of a simple majority of the votes cast; special resolutions require three-quarters of the votes cast.

How can I find out the result of the vote?

It is expected that the total of the votes cast by shareholders 'for' or 'against' or 'withheld' on each Resolution will be published on www.igasplc.com by Thursday 15 June 2023.
